

Equality in housing statement

We are working towards ensuring that our housing services and those provided by our partners the community are accessible to all people in the district and that they receive fair and equal treatment.

We give a commitment that:

- Racial harassment and harassment of any kind will not be tolerated. Any incidents will be fully investigated with action taken against those responsible.
- Our employees will act promptly in all incidents of domestic violence.
- Our employees and contractors will not discriminate unfairly between our customers.
- All housing services will provide a fair and unbiased service to everyone.
- Tenant and resident participation will be encouraged from all members of the community.
